

SPECTATOR INFORMATION

Friday 4th – Sunday 6th July

AUSTRALIA'S top off road racers will converge on Waikerie for the 2014 Toyo Tires Riverland Enduro on July 4-6. Hosted by the Waikerie Riverland Off Road Association, the Enduro is the third round of the hotly contested Australian Off Road Championship.

Friday Night - Scrutiny

Spectators will be able to get up close and personal with off roaders from across the country at the Waikerie Town Oval located alongside the River Murray on the Friday afternoon. This is where scrutineering will take place from 4pm, and the cars will remain on display for the public to see and talk with crews until 8pm.

Full catering and bar facilities will be provided by the Waikerie Football Club.

The Track

The track is located about **17km West of Waikerie along Enduro Road**. If travelling from Adelaide you can get to the track by turning onto Murbko Road after Blanchetown and then right onto Enduro Road, which is a well maintained unsealed road.

Accommodation - Camping

Please refer to the accommodation guide for accommodation in the district.

There is accommodation available in the surrounding towns of Waikerie, Cadell, Morgan and Blanchetown and there is camping at the track for \$10 per person for the weekend. Hot showers are available.

Catering

There will be full catering available at the track for the weekend, starting with breakfast on Saturday morning. The Waikerie Apex club will provide hot foods, drinks and bar facilities.

The Waikerie Business Chamber will have a coffee van, the Waikerie Netball club will be providing Soup, Spuds Wraps and Salad.

Catering (cont)

The Saturday night sees a roast meal being supplied by the Waikerie Apex club, please make sure if you want a roast meal that you buy a ticket on Saturday afternoon before they run out. There will be a DJ providing tunes at the bonfires until 11pm.

Saturday

Entry to the event on Saturday and Sunday is \$5 per person over 16, and under 16 is free.

All of Saturday's action can be found at the track headquarters where spectators get a great view of jumps, whoops and sideways action. You can also get up close to the cars and teams in the spectator access viewing lanes recently installed at the pits.

For a bit of added excitement you can take a ride in a helicopter and see the action from the air as well as some of the beautiful scenery of the river district.

The event heats up on the Saturday at lunch time with the "Caudo Vineyard Sangria Prologue" (qualifying for starting position) followed by the "Sprint Freight and Logistics Top Ten Shoot Out" (which is a second shot at the prologue by the fastest 10 cars).

The top ten shoot out is not to be missed when the 10 fastest off road racers in Australia will be doing their best to show that they are the fastest in Australia!

The top ten shoot out will be followed by the Big River Nissan "Dash for Cash" which will be the next 10 fastest cars competing two at a time against each for cash and prizes, this is also a not to be missed spectacle.

For all those that want a chance to win a Hot Lap in Brad Gallard's Toyo Tires Trophy Truck, make sure that you are at the track on Saturday afternoon and place your entry in the box at Event Headquarters. Entry forms will be available at the track

Sunday

On Sunday racing starts at 9am, the cars will be starting two at a time at 30 second intervals with up to a maximum of 120 cars. Again the spectator area will be full of thrills as competitors race each other off the start line and then back over the whoops. There are 15 km of viewing areas along the roadsides around the track including the very popular and spectacular Monster Road Jump. The presentations will be held at the event headquarters soon after the end of the race.
