

Media Release

It is with much regret that the NSW Off Road State Panel wish to advise all NSW Off Road State Championship Competitors that the 2021 NSW State Championship has been cancelled due to insufficient rounds being completed.

As you are all aware of the ongoing COVID-19 pandemic and the restrictions placed on the majority of NSW, unfortunately these unprecedented times has resulted in several events having to be cancelled.

The NSW Off Road Panel moving in a forward direction are exploring ways on making the 2022 State Championship a more prestige Championship for all classes.

NSWORP is reaching out to all NSW Competitors requesting for their thoughts on ways they feel the Championship could be improved from a competitor's perspective.

If you feel that you have any positive thoughts on the way you would like to see the Championship improved, please forward to your Club secretary for submission.

Yours in racing

NSW Off Road Panel
