

The ARB Australian Off Road Racing Championship is back this year, kicking off this weekend at Griffith.

The Championship boasts six rounds; as Mickey would say, get ready to 'STAND ON THE GAS'. The ARB Town and Country Tyres Stackpoole 400 entry list is filled with some great competitors and vehicles.

Last year's winner, Team Mickey Thompson's Andy Ryan, is keen to defend his title on his home track and has been working hard in the off season with a few adjustments made to the 1JZ Toyota powered AlumiCraft.

"We expect a few will be keen to chase him down like Glenn Owen, Aaron James, Raana Horan and Talbot Cox just to name a few and all on the race proven Mickey Thompson MTZ P3".

Other classes will be going just as hard such as Class 1 Jason Richards, Class 2 Daniel Wells, Peter Hunt, Rhett Standen, Class 4 Peter Sibson, Michael Denham and Class 5 Darran Vanderwoude and Stephan Watkins, all out to #STANDONTHEGAS.
