

Chasing back to back Albins ARB Goondiwindi 400 titles, Danny Brown and George Apter have kicked off their 2016 Goondiwindi campaign by winning the Prologue, Goondiwindi Tyres Services Top Ten Shoot Out and blitzing the field in the race one this afternoon, to take pole position for Sunday's race 2 start.

1m43seconds off the pace of Brown and rising above his Sunraysia 600 misfortune is Ryan Taylor and Dan Curran; the Razorback #24 slotting into second place at the completion of the 80km lap after moving from eighth in prologue up to fifth in the Goondiwindi Tyres Services Top Ten Shoot Out.
