Danny Brown and George Apted are revved up and set to defend their 2013 ARB Off Road Racing Series title as round one of the 2014 series swings into action this weekend at the ARB Paringa Desert 400.

Brown, who took out last year's title in an Extreme 2WD trophy truck, has moved to Pro class in his recently purchased ex John Hederics Jimco. "We picked up the Jimco only two weeks ago and since then have been busy making minor changes and going over the car to get familiar with it. We still running the 3.5 litre twin turbo Nissan that John ran in it for this year" Danny Brown explained.

With 63 confirmed starters, Brown and Apted will have their work cut out for them as the strong field of contenders converges on Paringa Station, 50km north of Broken Hill.
